Dialogue about bad effects of copying in the exam.

Rohim: Hello korim, how are you?

Korim: I am fine. How are you?

Rohim: I am fine too. Do you think copying in the exam is good?

Korim: No, it is very bad.

Rohim: Why is it bad?

Korim: Copying spoils our learning. We cannot improve our knowledge.

Rohim: Yes, it can also cause punishment from teachers.

Korim: Students lose honesty and confidence if they copy.

Rohim: Everyone should study hard and not copy in exams.

Korim: You are right. Hard work is always better than copying.

Dialogue on advantages and disadvantages of village life and city life.

Rakib: Hello Sumi, how are you?

Sumi: I am fine. How are you?

Rakib: I am fine too. Let's talk about village life and city life.

Sumi: Good. Which one is better?

Rakib: Village life is peaceful and fresh. People are kind and nature is clean.

Sumi: Yes, but city life has many facilities like schools, hospitals, and jobs.

Rakib: True, city life is busy and noisy. Village life is calm and healthy.

Sumi: City life is fast, but village life is safe and quiet.

Rakib: Both have advantages and disadvantages.

Sumi: Yes, we should choose according to our need.

Dialogue on Uses and Abuses of Mobile Phone

Rahim: Hello Karim, how are you?

Karim: I am fine. How are you, Rahim?

Rahim: I am fine too. Can we talk about mobile phone?

Karim: Yes, mobile phone is very useful. We can talk anytime.

Rahim: Yes, we can get news and send messages quickly.

Karim: Students can also learn from the internet.

Rahim: True, but many waste time on games and videos.

Karim: Mobile helps in business and emergency.

Rahim: But overuse harms health and study.

Karim: We should use mobile carefully.

Rahim: Yes, good use gives benefit, bad use gives harm.

Karim: Thank you, Rahim, for this talk.

Rahim: Thank you too, Karim. Goodbye.

Karim: Goodbye.

Dialogue on How to Eradicate Illiteracy Problem

Rina: Hello Sumi, how are you?

Sumi: I am fine. How are you?

Rina: I am fine too. Let's talk about illiteracy.

Sumi: Good. Illiteracy is a big problem.

Rina: Yes, without learning people cannot improve.

Sumi: We need more schools for children.

Rina: Education should be free for the poor.

Sumi: Teachers should help students with care.

Rina: Parents must send children to school.

Sumi: Government and people should work together.

Rina: Then we can remove illiteracy.

Sumi: Thank you for the talk.

Rina: Thank you too. Goodbye.

Sumi: Goodbye.
